Seek Release Of Woman On Bond

DETROIT, MICH., December 9.—(By the Associated Press)—Friends of Mrs. Mae B. Ford, charged with plotting to slay her estranged husband, Ned J. Ford, a wealthy farmer, renewed their efforts today to obtain freedom for the prisoner. Mrs. Ford spent last night in jail, unable to raise the \$25,000 bond required by the recorder's court, before which she pleaded not guilty yesterday.

No date had been set early today for the examination demanded by Mrs. Ford's attorneys. The defense of Mrs. Ford, should she be brought to trial, is expected to be based on her statement to the prosecutor that she was subject to intermittent loss of memory or temporary insanity. She did not remember, she declared, that she ever sought to engage a gunman to slay her wealthy husband that she might gain possession of the estate, as charged. If she did reveal such a plot to a detective who posed as a gunman, she said, it was during one of these mental lapses.

W. S. Scruggs of Greenville, died several hours later at a local hospital.

The injured were brought to Charleston hospitals on a special train after being given first aid at Hanahan by doctors taken from here in automobiles. 2,500 Homeless, 24 Business Blocks Burned; \$12,000,000 Fire Loss As Result Of Disastrous Blaze In Oregon Town

ASTORIA, December 9.—(By the Associated Press)—Astoria today surveyed its losses from the \$12,000,000 fire which yesterday razed 24 blocks of the city's business section, and set on foot measures to relieve the 2,500 persons made homeless by the conflagration.

With the heart of the city still smoldering in ruins, plans for rebuilding were nebulous, but it was the general sentiment that reconstruction on a larger and more substantial scale would start as soon as the more immediate relief needs were supplied.

Hundreds of telegrams offering money and supplies were received, and the relief committee announced large amounts of staple foods and quantities of clothing were needed at once. Word from Portland was that a special train carrying supplies would be sent from there today.

Summary of Disaster
Summarized, the situation was as follows:

Twenty-five hundred persons homeless. The city without banking facilities. No food obtainable except from a central distributing bureau established by a swiftly organized committee of fifty. Last night beds were provided for all and hot meals were served at several stations. Hundreds of homes have been thrown open to those made destitute and orders were given to commandeer all of the city's food supplies. Fighting facilities were partly restored last night, but throughout the darkened district a heavy guard of soldiers and special policemen prevented looting.

Looters Are Arrested
Chief of Police Carlson said that 14 men had been arrested by his officers during the confusion and that all were attempting to carry away articles from stores within the district.

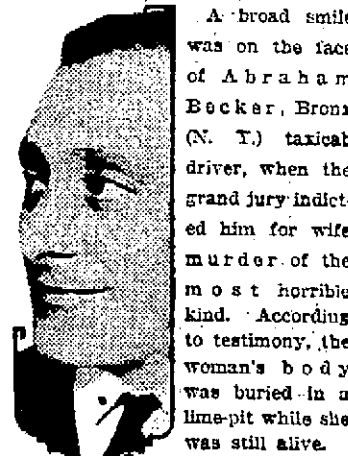

Fire fighting apparatus still was working early today and will until the embers have been extinguished. Officials of the Oregon National Guard sent 17 officers and men here from Portland with 1,000 cots, 2,000 blankets, rolling kitchens and food supplies. The latter equipment would be sufficient to feed 3,500 persons in emergency, it was stated.

THREE OF FIFTEEN PRISONERS WHO
ARE ARRAIGNED IN COURT ADMIT GUILT

Only three of fifteen persons indicted by the recent grand jury, who were arraigned before Judge Thomas in Common Pleas court Saturday morning, to plead to the charges brought against them admitted guilt, the other twelve pleading "not guilty" and will stand trial.

Mrs. Evelyn Buchert, 35 years old, who shot and killed her husband, John Buchert, Friday, street shoe dealer, at their home on Gay street, November 2, last, entered a plea of not guilty when she appeared in court to plead to the indictment charging her with second degree murder.

The accused was nervous and appeared much affected and during the reading of the indictment, by Clerk Cunningham, she almost collapsed, dropping into a chair near her when the reading was finished. The only words she uttered while in court was "not guilty" when asked by the court what she desired to plead to the charge.

Attorney B. F. Kimble immediately made application that she be released under the old bond given at the time of her release following the preliminary examination in Municipal court and the request was granted. Mrs. Buchert then departed with Attorney Kimble. The date for her trial has been set for Friday, Dec. 15.

Mrs. Buchert, who has been staying with relatives near Dayton since her release a week after the fatal shooting, returned to Portsmouth last night and she will probably remain here until brought to trial.

Roy Hall, 19 years old, indicted for first degree murder for the killing of Curtis Lykins on November 19 last, at Jackson Fork, Bloom township, pleaded not guilty when brought into court and he was remanded to jail without bond to await trial the date for which has not been set. Attorney Horace L. Small of this city, and Fred Roberts of Trouton have been retained to defend the youthful prisoner.

Willie Means, young negro, who shot and killed Frank Thompson, negro, on the night of November 30 last, entered a plea of not guilty when arraigned on the indictment charging him with first degree murder. The fatal shooting occurred at the Stinson soft drink establishment in the North End on Thanksgiving evening and the indictment alleges that the crime was committed while Means was in the act of attempt to perpetrate a robbery.

At the request of the accused, who claims Greenville, South Carolina, as his home, Attorney Horace L. Small was assigned by the court to defend him.

One of the secret indictments returned was revealed when Harry Miller, well known young man, who travels for the Portsmouth Candy company, appeared in court voluntarily and pleaded not guilty to an indictment charging him with manslaughter in connection with the alleged unlawful killing of Howard Abrams, 11 years old, son of Mr. and Mrs. Howard Abrams, of near Wheelersburg, who died from injuries he sustained when struck by an automobile driven by Miller on November 29.

The scene of the fatal accident was about a quarter of a mile east of the Wizard Oil bridge which crosses Pine Creek east of Wheelersburg, the boy being hit by the Miller car in front of his home a moment after he had alighted from a school bus and started across the road to his home. Miller was driving west on the paved road and did not see the lad in time to stop his car.

The accused has retained Attorney E. G. Miller to defend him and it is expected the defense will rely on the claim that the youth came to his death through no fault of the defendant and that the mishap was merely an unavoidable accident which resulted from the boy stepping directly into the path of the automobile. Miller was released from custody on \$1,000 bond.

J. J. Moore, Ed. Minor, Harold Wigginton and A. L. Horton, indicted for grand larceny in connection with the alleged theft of an automobile valued at \$750 belonging to Frank R. Seidenberg on October 5 last, all pleaded not guilty and their bond was fixed at \$1,000 each pending trial.

Attorneys McLaughlin and Staker were appointed to defend Moore and Attorney H. L. Small was assigned to represent the others.

Henry Pyffe pleaded not guilty to an indictment charging him with incest and his bond was fixed at \$1,000 pending trial. He is accused of having intimate relations with his daughter, Pearley Pyffe, last August. He will be defended by Attorney T. C. Beatty.

Charles Sproule of Cincinnati denied guilt of forging the name of James Ailes to a draft on the Pearl Market bank of Cincinnati in the sum of \$15 on Sept. 9 last. He was remanded to jail in default of \$500 bond pending trial on Dec. 14 at 1 p. m. Attorney Walter Dickey was assigned by the court to defend.

Henry Shannon, negro, pleaded not guilty to a charge of cutting with intent to kill J. C. Smith on Oct. 21 last, and he was ordered for trial under \$1,000 bond. Attorney W. L. Dickey will defend.

Fred "Prezzy" Davis, negro, denied guilt of holding Russell Robinson of \$1 in an alley in the North End on the night of November 10 and he will be tried on Dec. 13. Attorney H. L. Small represents the accused.

Fleming Hicks admitted guilt of obtaining property under false pretenses by representing himself as W. C. Buss and obtaining merchandise valued at \$45 from G. A. Beasley, East End merchant, on Oct. 2. Attorney H. L. Small appeared for the accused and on his request the court deferred sentence.

James Hicks, 26, and Harry H. Howell, 26, both colored, were sentenced to the Mansfield Reformatory under the plea of guilty to burglarizing the Schmidt-Hawkins plumbing shop on Gallia street on the night of Dec. 2 last.

The men were caught by the police after being discovered in the act of attempting to crack the safe in the plumbing establishment.

Howell in a statement to the court denied that he entered the building but admitted that he acted in concert with Hicks and a third party whose name he said was James Thompson. He said he came here to take employment at the N. & W. shops and came to grief by listening to the tales of Hicks about getting "easy money."

He claimed Richmond, Va., as his home. Hicks at first pleaded not guilty but later changed it to guilty after hearing the statement of his pal. Both claimed that their companion, Thompson, planned the job.

Court Lenient With Traffic Violators

In Municipal court Saturday Judge McCall stated that until all parking spaces downtown had been marked and the proper zone signs had been placed he would not fine any violators. "I made the rounds myself this morning and after learning that all signs have not been hung up and parking spaces remained to be

marked I decided not to fine the violators, but will insist that fines be handed out as soon as this has been done."

Judge McCall fined a number of violators Friday afternoon and these fines will be remitted.

Those who were ordered in yesterday afternoon and evening were:

Edgar Lykins, Lewis Seiling, W. W. Lamb, Mrs. Charles Spencer, J. W. McIlford, Dr. W. A. Quinn, Geo. Haselman, C. H. Miller, Rollins Scott, Mrs. Jess Barber, Claude Smith, J. F. Warner, Doris Dupuy, A. C. Ridgman, Dennis Mershon, B. H. Ratcliff, L. R. Bean, and Earl McKinley.

Held On Highway Robbery Charge

Two men giving the names of Jack Connors and J. M. McHugh were arrested at the N. and W. terminals Saturday by Officers Haley, Brumfield and Schneider. They are charged with being highwaymen.

According to the police they are charged with holding up Thomas Childers, and N. and W. employee and relieving him of his watch, checks and money to the value of \$372. Childers claims the two men lured him into a hallway at the point of a gun relieved him of his valuables.

The police say McHugh and Connors left the city the same day that Childers reported his holdup. The three men had been working for the N. and W. McHugh and Connors deny their guilt and will be arraigned in Municipal court Monday.

Five persons were caught under G. H. Kallenbach's Ford touring car when it turned over on Gallia pike at Star Yards about ten o'clock this morning. Kallenbach, another man, two women and two children were in the machine and they fortunately escaped injury although they were caught under the machine which turned upside down. The six persons

crawled out from underneath the machine the top holding it up just enough to allow them to crawl out. Kallenbach was driving to Portsmouth and was attempting to pass another machine when the car side-swiped each other the hub cap on his left front wheel catching on the other machine and causing his car to turn over. George Gump of near

Minford was driving the other machine. A machine approaching from the west caused Kallenbach to attempt to pass the other machine. Kallenbach's machine had a front wheel broken, top badly smashed, fender bent and windshield broken.

McKinley school's fighting gridiron warriors captured the pennant in the elementary school football league this morning when they won a 13 to 6 victory over Union street school's eleven on the sixteenth street field. Union and McKinley were tied for first place and the victory this morning gave McKinley the honor of leading the league.

The game was hard fought. Union had defeated McKinley once before and they thought they could repeat that victory this morning but McKinley played a superior game and walked away with the pennant.

McKinley received the kickoff and carried the ball to Union's 20 yard line by line plunges and end runs by the hard working backfield men, big gains being made by McCoy and

Barker. McCoy tried a drop kick from the 20 yard line but failed. Union then put the ball in play and Bunker in attempting an end run fumbled when he was downed. Moritz end for McKinley picked up the ball and went over for a touchdown. Barker drop-kicked goal.

In the second quarter McKinley scored again. Barker caught a 12 yard pass from McCoy and made a 20 yard run for a touchdown. Union scored in the third quarter. "Tubby" Galford was shifted from the line to fullback and his weight, certainly counted when he hit the line.

His gains through the line and a 20 yard gain on an end run took the ball over for Union but the try for another point failed.

Union lost six points in the last half when Referee McComb blew his whistle too soon. McCoy was to attempt a pass when Union linemen broke through and knocked the ball from his hand. Hammond for Union picked it up and going 35 yards for a touchdown. As the referee's whistle had sounded the ball had to go back. McKinley held Union safe for the remainder of the game.

Barker, McCoy, Stevens and McLaughlin starred for McKinley. Bunker, Galford and Guler were the ground gainers for Union.

By McKinley winning the pennant this season the flag is kept in the Millport for Highland school's team won last year. Offense, small but mighty, made a strong bid for the pennant but two tie games put them out of the running. They were only defeated once.

The program for the afternoon was unusually interesting and very much enjoyed. Mrs. James A. Hager read a paper on "What Is Being Done in the Art World." Miss Ruth Fish gave two beautiful vocal solos. An other interesting paper on "Little Visits With American Artists" was given by Mrs. James Williams. Mrs. William M. Briggs told what was going on in the wide, wide world in her paper on "Current Events," and Miss Jennie Miller of Lucasdale closed the program with two enjoyable readings.

Mrs. Charles Mohr had charge of the social hour which followed, and she and her assistants served a light refreshment course.

Members of the Sophomore class of P. D. S. will hold a big party in the High School gym in January and it no doubt will be a delightful affair.

The assistant hostesses will be Mrs. Marvin C. Clark, Miss Louise Dinsmore and Miss Jennette Silcox. The annual payment of dues will be made at this meeting and all members are urged to be present.

The little daughter of Mr. and Mrs. B. Prince of City View, who has been seriously ill with membranous croup, is improving.

Rev. and Mrs. James Condit of 2021 Fifth street announce the birth of a son this morning.

Mrs. James A. Alsbaugh was hostess to the members of the Holmes Club Friday evening at her home on Franklin avenue. The regular program was dispensed with and an informal social evening enjoyed. Next the close of the meeting the hostess served a delicious refreshment course.

Mrs. D. A. Alsbaugh of Huntington, W. Va., and Mrs. Earl Brand of Columbus were guests for the evening.

The next meeting will be with Miss Edie Cranston on Eighth street, on January 5th, instead of on December 22, as announced in the year book.

Mr. and Mrs. D. A. Alsbaugh of Huntington, W. Va., are spending the week-end with their son and daughter-in-law, Mr. and Mrs. James A. Alsbaugh of Franklin avenue.

Poultry House Raising

The farm of E. C. Moulton of Valler Township on next Tuesday, December 12th, will be the scene of a poultry house raising, the first of its kind in Scioto county.

The purpose of this meeting is to demonstrate what constitutes a good practical, comfortable and well ventilated poultry house and how to construct it. Complete plans and bill of materials have been furnished. Mr. Moulton, by the Agricultural Engineering and Poultry Departments of the Ohio State University, through the Farm Bureau.

The concrete floor and foundation will have been done by Tuesday and it is expected that the building will be completed on that day.

Mr. H. P. Twitcheell and Mr. E. L. Dukan, representing the above mentioned departments, respectively, will be present to supervise the construction.

The public is invited to attend, and any person interested in poultry house construction can spend the day at this meeting to a very good advantage. Bring your lunch and stay all day. Coffee will be served. The first sound of the hammer will be heard about 8:30.

The specialists coming from the University suggest that every one who can drive a nail or saw a board should bring either a hammer or saw, or both. Should the day be cool, tools may furnish a means of keeping their owners warm, and at the same time hasten the erection of the poultry house, which is to be 24 feet wide and 40 feet long.

Poultry Meetings
On next Monday afternoon, at 12:30, the poultry demonstration farm owners of the county will meet at the Farm Bureau Office, with E. L. Dukan, poultry specialist, present, at which time they will discuss winter poultry management, incubation, brooding, etc. The poultry demonstrators are, F. S. Alby and Son, Lucasville; E. P. Cockrell, Lucasville; Mrs. J. F. Woodfield, Wakefield; Mr. A. H. Jones, Otway; Mrs. John Goodman, Portsmouth; O. Mrs. E. C. Moulton, Lucasville; Eliza Cook, Portsmouth; Howard Compton, Beulah Vista; E. B. Lange, Franklin Furnace; Frank Kase, Sciotoville; Joseph Lang, Wheelersburg.

On Monday night December 11th, a meeting will be held at Haverhill with E. L. Dukan present to discuss with Haverhill poultry club members and poultrymen of the community the question of standardization of breeds of poultry.

Urge "Ohio Standard Dozen" Fertilizers

An "Ohio Standard Dozen" fertilizers, agreed upon by College and Station authorities as adequate for the needs of all crops and all soils in Ohio, is announced as follows:

0-16-0	2-14-2	2-12-0
0-18-0	2-16-2	0-14-0
0-20-0	3-8-0	0-10-10
2-12-2	3-12-2	4-12-0

These analyses read in percentage of Nitrogen-Phosphoric Acid-Potash, in the order named. It will be seen that acid phosphate stands first on the list. The first three are nothing but 16, 18 and 20 percent acid phosphate, respectively.

These "Ohio Standard-Dozen" fertilizers, to which all Ohio farmers are urged to confine purchases in the future, have, of course, no reference to commercial brands, but represent simply an attempt to eliminate the present multiplicity of low-analysis mixtures that now confuse the farmer and that run up mixing, selling and hauling costs which the farmer ultimately has to bear.

Officials of 15 fertilizer companies, consulted as to a larger list from which Ohio selections were made, said that all the scientists' formulas were practical and should effect considerable economies. They will push the "Standard Dozen" brands and

help to eliminate from the market all low-analysis, high-cost goods.

A one day "Fertilizer and Lime School" is a part of practically every Farm Bureau community program for 1923, which will be held during January, February and March to acquaint the farmers with these new brands of fertilizer and their economic use.

Farmers will be asked to bring samples of soil to be tested for lime requirements, and recommendations made.

SHE GAINS 16 POUNDS AND FEELS FINE

"Since taking Tanlac, my wife has gained sixteen pounds and she is so healthy and happy that life is a real joy to her nowadays," was the enthusiastic statement made recently by Thos. E. Russell, 518 E. Main St., Muncie, Ind., a well known mechanic connected with the Warner Gear Company.

"My wife was in such a badly run-down, weakened condition that she thought she just couldn't keep up another day. Her appetite was so poor that the most wholesome meals did not appeal to her, for even after eating spaghetti, she would have such nervous, gas pains, smothering sensations and headaches that it was simply torture. Her back pained her awfully and her nerves were so unstrung that she could scarcely sleep any at night, and during the day just a little sweeping or dusting would tire her out."

"It surprised us how quickly Tanlac had her improving. No one could wish for better health than she has now and the neighbors are talking about how well she is looking. She can eat just anything she wants, she gets eight hours of sound sleep every night and all her old time energy has come back to her. We just think the world of Tanlac."

Tanlac is sold by all good druggists.—Advertisement.

"CHIROPRACTIC REMOVES THE CAUSE OF DISEASE"

What brings health? Not the treating of effects, but the removing of the CAUSE of disease, brings health.

Dr. Alfred Wallon, founder of the Essex County Hospital, endorses Chiropractic because it is the only method which removes the cause of disease; and thousands of men and women throughout the country are living testimonials to the benefits they have experienced after taking Spinal Adjustments.

Drugs deaden pain, but they cannot remove the cause of the pain; surgery may cut out a diseased part of the body but it cannot remove that which caused the diseased condition. The cause of abnormal condition—sickness, weakness, distortion—is nerve pressure somewhere between the brain and the rest of the body. In 95 per cent of cases nerve pressure is found at the spine, where one or more vertebrae have become slightly misaligned, as shown in spinal cut.

Consider the fact that untold numbers of people have suffered with the same ailments you have, and have found relief through Chiropractic, and you will see why you should at least investigate. Come to our office now, before your trouble has gone too far.

FISHERS' CLASS ORGANIZES

The Fishers' Class of the First Baptist church held a big "chicken and waffle supper" at the personage banquet room Friday evening. Rev. H. S. Willis was given a rising vote of thanks for the supper which he so ably prepared and served.

The question of class organization was then taken up and the following officers for the coming year were elected: Wes G. Carson, teacher; James Gower, president; Lowell Dever, vice president; Howard Harris, secretary; John Long, treasurer; Clarence Martin, usher; H. Clay Martin and O. K. Chapman were appointed as publicity committee.

Very interesting talks were given by the Sunday School teacher, Wes G. Carson; Sunday School Superintendent, T. D. Smith; Pastor, Rev. H. S. Willis, and the different members of the class.

All resolved to "beat the Loyal Philanthropist class or bust," and, although all were quite full of chicken, they were pretty far from "bustin'."

WHY THE CHURCH KEEPS ADVENT

At the ten-thirty service at All Saints' Church tomorrow the pastor will preach a sermon dealing with the observance of the sacred season of Advent by all churches that conform to primitive and historic practices. You will be interested to learn how thoroughly sensible and helpful a custom it is to prepare for the "coming of the Lord." At the evening service Mr. Powell will

preach a most important sermon on the Holy Bible. He will answer the question "How ought a Christian to regard the Bible?" Surely you are interested in hearing this matter discussed. The sermon will be a brief and frank discussion of a topic that has been very much to the front during the past few years. You will be very welcome at these services.

Do People Exceed Devil In Wickedness?

Are there people in Portsmouth who are more wicked than the Devil himself? Is it possible? Yes, it is possible! How? This question will be discussed in connection with the sermon at the United Brethren church, corner Seventh and Gay streets, Sunday evening at seven o'clock.

Sunday morning and evening there will be special music at the First Presbyterian Church, under the direction of Mrs. J. M. Stockham. The double quartette, which has been singing at First Church once a month this fall, has drawn appreciative audiences. Sunday morning at ten-thirty they will sing "Gloria" from Mozart's Twelfth Mass, and in the evening at seven o'clock, they will render "Festival Te Deum" by Dudley Buck. In addition to the double quartette numbers, Miss Myrtle Ziegler will sing in the morning "Eye hath Not Seen," from the Holy City—Gaul and at the evening service at seven, "Mother McCree," will be sung by Mr. Alexander McIntosh. Mrs. Roy C. Lynn and Miss Myrtle Ziegler will sing "Blessed Savior Thine I Love," by West. At the morning service the pastor will speak on the subject: "The Renewal of Strength" and at the evening service: "The Sin of Doing Nothing."

Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Dear Dolly—I am in love with the most wonderful boy on earth, and have been for the past three months. Sometimes he acts as though he thinks I am the only girl and at other times he seems to care nothing for me. Now Dolly he respects me in every way at times, but you know a boy's nature. Dolly, I am well thought of by other boys and could have a date with any of them at any time, but I would rather go with my present sweetie than any of them. Dolly, he takes me to the show any time I want to go, but I would not rather be with him to church with me. This he refuses to do. Now Dolly, what can I do to get him to go to church with me or what? Dolly, he never tells me he is coming to see me. He just drops down any time. He does not go with other girls, but I sometimes go with other boys. I don't go for-falling with any of them but this one, and I always take my girl friend along then. I am 19 years of age. Dolly do you think he cares for me or is he just giving me a lousy and trying to kid me along. We have fallen out several times but have always made up again. He told me once that he hoped to make me his wife some day, but that is as far as

things have progressed along that line. Dolly, I have been a foolish girl and I know it, and I want you to help me out of this mix-up.

DESERVED GIRL.

I don't like the last sentence in your letter—in fact I don't know what to make of it. The balance of your letter seems rather sensible, but that last line leads me to believe that the girl has never been told. Well, in the first place, you are crazy about the boy, and he knows it. He also knows that he can have you or let you alone. In fact he is so cocksure of you that he doesn't appreciate you. As a rule, men never do care anything about a girl who forces herself upon them. You admit that you have been indiscreet, and have done things of which you are ashamed. In the second place, you should not expect the man to pop the question after a three months' courtship, especially when you have been having other dates on the side. That is another thing any man would resent, especially if he is clever enough to see through your scheme. As for going to church, perhaps he is a regular attendant at his own church, and does not like the idea of you trying to force him to go to yours. The man may like you, and he may marry you, eventually, but if you are a wise little girl you will not force yourself on him, nor let him take any liberties with you. If he wants you, let him get busy and win you.

P. S.—If you will write me again and tell me what kind of a mix-up you are in, I may be able to suggest a way to get out of it.

Dear Miss Wise—I would like to have a nice recipe for crackers, soda crackers, or some other nice kind.

SOCIAL NEWS

One of the most prominent and interesting social events of the closing week was the charming Five Hundred party given by Miss Jane Bothwell Friday evening at her attractive home, 422 Glover street. The lower floor of the Bothwell home was beautifully decorated for the occasion with a profusion of palms, ferns and cut flowers. The mantel in the large living room was banked with the greenery, while baskets and bowls of the roses and daffodils chrysanthemums were placed at vantage points throughout the living room and dining room.

Tables were arranged for Five Hundred and the forefront of the evening was devoted to this interesting pastime. At the close of the games Mrs. H. H. Beales was presented with a handsome trophy for top score. Promptly at ten o'clock the secret of the evening and the excuse for the party was disclosed. While the guests were still assembled in the living room, the lights went off, and as the strains of Mendelssohn's Wedding March came from the Victoria, the doors separating the living room from the dining room were opened, disclosing a huge white wedding bell with an electric bulb for a clapper. In the distance, as the music continued, the bell, which was suspended from an invisible wire, advanced slowly until it stopped beneath the doorway, when the guests each drew by pink ribbons suspended from the bell, small cards decorated with bride's bouquets and bearing the message, "Martin-Geer, December 27, 1922," thus announcing the engagement of Miss Page Geer of this city and Mr. Henry Martin of Ashland, Kentucky.

This interesting news was the signal for a shower of good wishes for the charming bride-to-be and later a delicious ice course was served by Miss Jane Bothwell, assisted by her mother, Mrs. M. G. Bothwell. The ice cream was frozen in the shape of pink cupid and the cakes were heart-shaped and iced in pink.

Miss Geer is the only daughter of Mrs. Clara Geer of 423 Sinton street and is a very charming and accomplished young girl. She was graduated with high honors from the Portsmouth High School last June, and is a popular member of the younger social set.

Mr. Martin is the son of Mr. and Mrs. John S. Martin, prominent residents of Ashland, Ky. He is now located at Clifton Forge, Virginia, where he holds a responsible position as civil engineer with the Chesapeake & Ohio railroad.

Those present at this delightful affair included the honor guest, Miss Page Geer, the Misses Dorothy Goetz, Mary Louise Selby, Margaret Armstrong, Ruth Gibbs, Elizabeth Armstrong, Clara Nunemaker, Martha Morgan, Kathryn Elliott, Bernice Doll, Mary Pfeiffer, Christine Rothwell, Virginia Goetz, Mrs. H. H. Beales, Mrs. Clara Geer, Mrs. M. G. Bothwell, Mrs. J. E. Mardwell, and the hostess, Miss Jane Bothwell.

Mrs. J. A. Murphy (Anna Bergan) a bride of recent date, and a popular member of the F. F. F. Club, was honored with a miscellaneous shower Thursday evening by the members of the club at the home of Miss Loma Bodmer, on Grant street. The evening was spent in dainty needlework, social chat and music. During the evening the charming bride was presented with a large basket of pretty gifts.

Following a dainty ice course was served to the following guests: Mrs. J. A. Murphy, Mrs. Frank Bates, Mrs. Richard Barber, Mrs. Gus Pulez, Mrs. Clarence Ranch, Miss Ethel Knechel, Miss Esther Moritz, Miss Bertha Kiehlman and Miss Martha Moritz.

Four candidates, Nannie Brown, Rachel Martin, Edna Martin and Anna Tegarsten were initiated at the weekly meeting of White Lily Council Daughters of America Friday night.

Adventures Of The Twins

BY OLIVE ROBERTS BARTON

I was Scramble Squirrel who climbed the most favor from the Green Wizard.

He climbed to the top of the pine tree where the Green Wizard had his workshop and made his magic.

"Why, how d' do, Scramble," the fairyman said pleasantly. "You're quite a stranger. I'm glad to see you."

"Thank you," answered Scramble uneasily and looking as though there was something on his mind. "I—hope you're glad enough to see me to be willing to do me a favor, sir."

"Why, it just depends," remarked the Green Wizard. "It just all depends on what you want."

"Well, you see it's this way," said Scramble. "Sometimes I like to go out at night and play checkers with my friends, or dominoes, or something like that. 'N' sometimes I get so interested I forget what time it is. 'N' then when I go home, Samantha wakes up and she is generally so mad she gives me fits for staying out so late. I was thinking, sir, that a pair of magic shoes that didn't make any noise and wake her up might help some."

"Oh, I see, I see," answered the Wizard wisely, shaking his head and putting his finger-tips together.

"Will you?" asked Scramble anxiously.

"I'll have to think," answered the fairyman. "I'm not sure that I can. Did you say you went out alone at night?"

"Yes, yes," answered Scramble. "You see Samantha's always too

JACK DAW'S ADVENTURES

"Now," said one of the little Hoopoe Daughters, after the slinging was over, "we will take the visitors to the Hoopland zoo." This time Jack was told to take Pip and sit sideways in a flying hoop which had rolled up to his side. He did so, and was soon lifted off the ground.

While sailing through the air, Jack looked down and saw at the Hoopsey Daughters and the other hoop rolling along on the ground. Some were jumping up and down and they caused a great cloud of dust. Then the flying hoop settled down to the ground and let Jack off in front of a big cage.

"Here we have the Hoopland lion," announced a little hoop, who stood just outside the cage door. The lion roared, as if to greet Jack and Pip. He answered the huge king of Hoopland wild beasts with a meek bark. Then they moved on and next came to an animal which was made of two hoops. (Continued.)

BRINGING UP FATHER

RED CROSS SEAL SALE OPENS

Every church in Portsmouth is co-operating with the Christmas Seal Committee on Sunday, by arranging Christmas Seal Sunday. Christmas Seals will be talked from the pulpit and every congregation will be urged to help Scioto County reach the quota of 1,000,000 seals.

The campaign officially opened this morning with the special screening at the Lyric Theatre. This show started promptly at nine o'clock.

Although the rain delayed the Public Committee in getting out all of the posters yesterday afternoon, the campaign was given special assignments on posters. Those who assisted included Pauline Boyles, Francis Walker, Garnet Covert, and Catherine Blake, all of Troop 2.

Immediately after the show at the Lyric, Boy Scouts formed in squads and patrolled Portsmouth, tagging all automobiles with the double cross. Automobile owners are requested to co-operate with the Ohio Public Health Association in allowing Scouts to place the insignia, which is intended to defeat Tuberculosis, on all cars. It is an obligation which every citizen should feel honored to assume, just the same as it is their duty to "Christmas Seal all Christmas mail."

Other big stunts which are now in preparation to further the sale of Christmas Seals, include two mammoth tag days, with spectacular and original stunts, as well as a unique demonstration by members of the Sun Stock Co. When the business manager, Mr. Hawkins, first heard that the Christmas Seals were to be placed on sale, he hastened to place the service of his company at the disposal of the 134 practical business men who have determined to see this campaign go through successful and to assure Scioto County the proceeds from the sale of 1,000,000 seals.

"My company," Mr. Hawkins said, "is over ready to help and to do what ever they can to further the interest of any project with so far reaching results as the Christmas Seal Campaign. Every member of the company (who by the way are 100 per cent Equity) stands ready to help in any possible way."

Lancaster and Wheelersburg opened their campaigns today, in conjunction with the opening here in Portsmouth. The campaign is under the direction of Rev. George A. Weaver, pastor of the M. E. church, in Lancaster, and, in Wheelersburg

MR. DIAMOND'S ADDRESS A REAL GEM; PRESBYTERIANS ENJOY IT IMMENSELY

Cares of a business world and worries of every day life melted before the steady flow of Scotch humor and quaint philosophy that sparkled from the versatile personality of Hugh Diamond, hardware merchant of Gallon, Ohio, at the Second Presbyterian church last night where one hundred and fifty members of the Brotherhood had assembled on promise of their pastor, Rev. Hugh I. Evans that they would be accorded a rare treat. A treat it was in every sense of the word.

Following a splendid banquet served the Brotherhood by the Ladies' Aid Society, under the leadership of Mrs. Isabella Thomas, Mr. Diamond kept his audience in virtually continuous uproar by his clever sallies, his original anecdotes and shafts of humor sent rattling at his listeners.

He sent his audience home, light of heart, a twinkle in their eyes, a chuckle in their throats and a new resolve to spread cheer among their fellow men.

"Through it all there ran a vein of old fashioned reasoning and advice, that left their imprint on the minds and hearts of the men present and sent them away a little better, little bigger and a little more cheerful for having been there."

Spread cheer, live Christian lives every day, take advantage of and enjoy the many beautiful things God gives you, rub elbows with your fellow men, get acquainted with him, absorb his good traits, benefit from his ability and he in turn will be benefited by your friendship and personal characteristics. A better life every day—bring out the smile and chase the frown away—was in effect the message conveyed to the Presbyterians by Mr. Diamond, himself a Presbyterian and a devout apostle of the doctrine he advocates.

An elegant banquet, a whirl of mirth and a palatable offering of philosophy and thought made the evening unquestionably one of the most delightful that has been enjoyed by any organization at the Second Presbyterian church.

Scotch songs by Mr. Diamond, fondly and rightfully considered "The Harry Lauder of Ohio," and two splendid numbers by a quartet composed of Messrs. Lloyd, Jones,

Denton and Mehlan added to the keen enjoyment of the evening.

Mr. Diamond's address—a combination of entertainment and sermon, a classic of humor and inspiration for thought and a delight to every one—is only one of the many features in store for the Brotherhood members.

The next one will be offered in January.

Steady growth of attendance at the meetings, speaks well for the efforts of the committees in charge and the interest the men are taking in the effort to make the Second Presbyterian Brotherhood a source of influence, not only in the church but in the city.

At the close of the address of Mr. Diamond, Rev. Evans of the church revealed a plan to have a thorough enrollment and reconsecration of members of the church beginning the New Year.

The first Sunday in January has been set aside as Enrollment Sunday and efforts are to be made to have every member of the church attend at least one service on that day. It is a comprehensive plan. The Brotherhood endorsed the movement and pledged its support to canvas the church members in an effort to make the plan a complete success.

Thanks for the splendid evening are extended to Rev. Evans for his effort in securing Mr. Diamond, to the group headed by F. E. Bower for the splendid program and thorough arrangements, the Ladies' Aid Society for the delectable banquet and to the members of the quartet. The next meeting will be in charge of a group headed by H. H. Eedes.

Burley Receiving Plants Open Monday

LEXINGTON, Ky., Dec. 9.—Final preparations have been made for the opening Monday morning of the receiving plants of the Burley Tobacco Growers' Co-operative Association. When the 77,000 and more members get ready to deliver their crops the Association will be ready to receive them.

The same procedure will be followed as was followed last year, the grower registering for the delivery of his crop, either by telephone, by mail, or in person. Each grower will be given a date for the delivery

of his crop by his warehouse manager and he is expected to deliver on that date. Growers are requested by the Association management not to receive a date until their tobacco is ready for delivery.

President Stone and other officers of the Association went to Fidelity, Ohio Friday where a new receiving plant of the Association was dedicated. Director at Large Charles H. Woodmansee, of Ohio presided and President Stone delivered the principal address.

The Fidelity plant is one of the last to be constructed by the Association

Pike County Ballots Are Placed In Vault Of Bank At Waverly

Ballots cast in the recent election in Pike county are now reposing in the big vault in the First National bank in Waverly, they having been moved there Friday afternoon. They had been in a vault in the court house in Waverly and had been guarded day and night.

When it was learned that no more money was available to pay the guards, steps were immediately taken to have the ballots taken to a place where they would not have to be guarded.

This action was taken Friday afternoon when Judge A. Z. Blair of this city and W. S. Hill and Henry C. Smith of the Waverly Election Board were present and had the ballots moved to the bank vault.

It was first thought that an acetone torch would have to be used to open the vault, but when a key mysteriously made its appearance the vault was quickly opened and the ballots moved.

When Judge Blair was asked today where the key came from he said: "I do not know. It fell into someone's pocket and it opened the vault and that is as far as I was interested."

Judge Blair said that all members of the Pike county election board had been notified that the ballots were to be moved.

The next move in the alleged election fraud cases in Pike county is set for December 22, when depositions will be taken.

Ironton Scribe Praises Baesman's Selects

In commenting on the appearance of the local Selects in Ironton, the Irontonian says:

"Never in the history of local basketball has a team appeared in the city that had the clock-like team work of the Portsmouth five. Very few wild passes were made by the visitors. When the ball was passed by any member of the Portsmouth team, there was always one of their men on hand to receive the ball. Short passes made by the visitors were their main offensive. Receiving the ball under Ironton's goal the Portsmouth five would complete short

passes down the floor until they had reached their own goal. The work of Barber, Baesman and Doll stood out as one of the main features of the classic.

The five man defensive used by the Portsmouth five completely paralyzed the offensive of the local lads. Several attempts were made by the Ironton team to shoot over this defensive, but their efforts proved futile. The defensive used by the Portsmouth five was rapidly executed and the local lads were thrown off their guard several times.

In the second half the Portsmouth

team started with a rush, and began to toss the ball through the hoops from all angles of the floor.

Edwards, right forward of the Portsmouth five, who seemed to be playing off form in the first half, staged a comeback and played a remarkable offensive game. Paired with Baesman, Doll and Edwards on the offensive was Barber, running guard, who proved to be a menace to the local guards. With these four men playing a great brand of offensive basketball, the score began to depart from the local chaps.

Christy Tells Ruth About Weakness

NEW YORK, December 9.—Christy Mathewson, wonder pitcher of the Giants of other years, has a tip for Babe Ruth, who is working himself into condition at his farm in Sudbury, Mass., to regain his home-run prestige. The tip is: "Tell the Babe to choke up on his bat a little when pitchers start tossing slow balls at him next season, and to smash some of the floaters into left field. If he does, he'll cross up a plan to stop his home-run hitting."

In the world's series in October Ruth was a woeful "bust," failing to get a homer and only a few hits as the Giants' pitchers slow balled him to death.

Matty saw the series, the first games he witnessed in two years, because of his battle with tuberculosis that kept him at Saranac Lake. As always, he was a close observer of everything.

Once, he says, he saw Ruth choke up on his bat, instead of making his

"follow through" swing at the ball for a homer, and cross up the Giants by hitting the ball into left.

"He should do this every time a slow ball comes up," declares Matty. "Next season, it is a 100-to-1 shot, the American League pitchers will try to stop his home-run hitting with slow balls. If Babe chokes up a little, as I saw him do once in the series, he'll hit them. It's a cinch. Then the first thing you know the pitchers will stop throwing them."

Selects Open Season With Miami Team

Monday night December 18 is the date set for the first home game of Baesman's Selects and their opponents on that night will be Miami University quiplet.

"Red" Hopkins of Cincinnati who played basketball for P. H. S. and who broke into the Miami Selects' outfit here last season will probably be a regular on the team this season and will no doubt play the entire game against Baesman and his team.

Tickets for the game which will be played in the high school gym have been placed on sale and as it will be the first real basketball offering of the city the gym should be crowded with local fans.
